THE

CANDID SNAPS

backdrop collection

WE'RE ALL ABOUT THAT STUDIO QUALITY EXPERIENCE AND IT STARTS WITH OUR BACKDROPS.

We use premium tension pillow case backdrops sourced from the best supplier in Australia: @photoboothdesignco

All backdrops are made and printed with high-quality dye-sub technology; leaving the images crisp and bright. All final prints look exceptional!

We also use strict criteria when adding new backdrops to our collection, they **MUST BE TIMELESS.**
No low-quality or tacky backdrops here!

When selecting a backdrop for your event, we keep your venue and event styling in mind. Our backdrop is here to compliment your event space, not to be an eyesore!
